

I listen to the local traffic report on my XM radio which came in my new car. I live in Houston, a city plagued with horrendous traffic and construction. I refuse to listen to our local AM radio stations because the FCC has allowed ONE COMPANY to own almost all of the English speaking AM radio stations in Houston. Their traffic reports are completely out of sync with what's actually happening on the freeways. I also do NOT listen to these stations because they are controlled by the radical RIGHT wing political party. They disgust me. I PAY FOR XM BROADCASTS JUST LIKE I PAY FOR CABLE TV. IT SHOULD NOT BE UP TO THE NAB TO DICTATE WHAT I CAN LISTEN TO.
